

Carbon Industry Code of Conduct

Declaration

I declare that I, together with all relevant individuals in this organisation, have read, understood and agree to comply with the Code insofar as it applies to the business of this organisation. I also agree to comply with and respect the objective of all documentation used to support the administration of the code.

I declare that the information provided in this form is true and accurate. I agree to inform the Code Administrator immediately should any change in circumstances mean that any of the above declarations are no longer valid.

I am committed to developing and conducting business in line with industry best practice as outlined in the Code and interacting with clients and other stakeholders in a professional and ethical manner.

I confirm that I will take reasonable steps to avoid any actions, omissions or business practices that could damage the reputation of the carbon industry or may adversely impact on the achievement of the objectives or vision of the Code.

As such, I attest that as a signatory to the Code, all projects undertaken (commencing 1 July 2018) will:

- Be undertaken in a transparent and accountable manner;
- Ensure environmental and social integrity of the scheme;
- Comply with applicable legislation and regulations; and
- Facilitate community trust in the outcomes of the scheme.

In signing this declaration, I affirm my ongoing commitment to implementing the Code, and the truth of the information provided in this application to become a Signatory to the Code of Conduct.
